

WELCOME!

THIS IS YOUR SPACE/HOME NOW. OR: MI CASA (AHORA) ES TU CASA.

This is not an ordinary home. Not only because it is a home of Impact Hub Zagreb community but because we are renting the space from Ipša Kunčević family that lived here for more than 45 years. They moved in several years after our courtyard became famous for hosting the filming location of one of the most famous Croatian movies of all times, 1970' classic famous Krešo Golik's *Tko pjeva, zlo ne misli* ("One song a day takes mischief away").

As we have started settling in the corridors and rooms of the new space, every corner made us feel that the main characters from the famous movie would appear around the corner and invite us over for a quick glass of wine ("Perice, skoči prek k Žnidaršiću po jednu litricu!"). As some of the scenes in the movie have been shot here, we can guarantee you will be able to feel the same vibe yourself!

And while we are here to guard that very heritage, we open doors for our community (again!) to bring in and enrich the space with their very own ideas & energy. This time, we are using the advantage of having such a special, cozy & tiny but beautiful piece of universe as our new home to co-create a space that represents home to all of us. A space where instead of only us hosting you, we all host each other, sharing the responsibility and honor of caring for having a tidy home and a vibrant community.

HOME OF BOLD & AWESOME PEOPLE.

3 GUIDING PRINCIPLES OF OUR OPEN CULTURE COMMUNITY

1. Everyone is a co-host of the Space & the Community.

Be mindful of your social and physical surroundings. Every time you are in the space, focus on creating a safe & inspiring as well as neat & tidy space for yourself and the rest of the people. Host yourself and the other members with good will and energy.

2. Openness & Respect is key to shaping a healthy Community.

Contribute to the open flow of resources, ideas and energies. If you are able - engage in conversations, if you notice something wrong - improve it, if you get inspired - start a movement. Be considerate and respectful towards people and the space.

3. Authenticity drives meaningful Actions & Change.

Whatever you do, stay true to yourself. This is the only way one can be well in order to be able to do well and by that - provoke an impactful change on any level or scale.
